Dear Mr. Davis,

Reference is made to your appeal, received in this office on March 12, 2024, of the Institution Disciplinary Panel (IDP) decision. On March 8, 2024, you received an incident report for violating prohibited act 108 Assaulting a staff member and 298 Interfering with staff. The IDP Hearing was held on March 13, 2024, at which time the IDP found you guilty of rule violation 108 and 298 and sanctioned you to thirteen (13) days in disciplinary segregation and 13 days loss of commissary, tablet, and telephone (except legal calls).

In your appeal, you request to have the Institution Disciplinary Panel (IDP) reconsider their decision. The written report and investigation indicate that your actions clearly violated prohibited act 108 and 298 and as such were properly charged and found guilty of violating prohibited act 108 and 298. This type and severity of your conduct is not permitted at the Buffalo Federal Detention Facility, as such your imposed sanctions were elevated to sixty (60) days disciplinary segregation and 60 days loss of commissary, tablet, and telephone (except legal calls).

Be advised that your incident report, the investigation, the IDP Hearing, and the sanctions imposed have all been carefully reviewed, to assure compliance with all BFDF policy and procedure, the Performance Based National Detention Standards (PBNDS) and the American Correctional Association (ACA) standards, as is the case in all incident reports. This review indicates that all the aforementioned policies and standards have been followed and complied with.

There is nothing in the disciplinary record to indicate that you were not judged fairly. The conviction for violating prohibited act 108 and 298 shall be upheld, and the sanction of 60 days in disciplinary segregation and 60 days loss of commissary, tablet, and phone (except legal calls) shall stand. Your appeal is hereby denied.

Respectfully,

Dear Mr. Davis,

Reference is made to your appeal, received in this office on September 15, 2023, of the Institution Disciplinary Panel (IDP) decision. On September 14, 2023, you received an incident report for violating prohibited acts 299 and 307. The IDP Hearing was held on September 14, 2023, at which time the IDP found you guilty of rule violations 299, 307 and sanctioned you to 3 days in disciplinary segregation and 3 days loss of commissary, tablet, and phone (except legal calls).

In your appeal you state that you are guilty of rule violation 299 but not rule violation 307 because you went to your cell when you were told to lock in. The written report and investigation indicate that your actions clearly violated prohibited acts 299, 307 and as such were properly charged and found guilty of violating prohibited acts 299 and 307. This type of conduct is not permitted at the Buffalo Federal Detention Facility.

Be advised that your incident report, the investigation, the IDP Hearing, and the sanctions imposed have all been carefully reviewed, to assure compliance with all BFDF policy and procedure, the Performance Based National Detention Standards (PBNDS) and the American Correctional Association (ACA) standards, as is the case in all incident reports. ON 12-2-23 at around 7:30 AM or a little after I went up to the officers Desk to get Tablet #1 which was not there because cell 136 had ~~guy~~ sign it out, but I did not know about that until I ask the unit who took that Tablet, a person in the unit ~~responded~~ ^{responded} by saying who you think, so I walk over to cell 136, because the day before cell 136 had did that very something after LT Ireland brought a new tablet to the unit after a couple of us told him what was going on, ^{to} avoid that problem he gave him a new Tablet, Problem ~~still~~ solve but it wasn't because someone took that tablet from him ^{was} ~~and~~ the guys that use that tablet, so cell 136 went back the following morning and took Tablet #1, so ~~on~~ ^{on} 12-2-23 while I was walking over to cell 136 he ran over and close the door close, so I went back over to the officer's desk to talk to him about that situation that happened on 12-2-23 while I was explaining about what happened on 12-2-23 a next guy came over and was also trying to tell him about what happened the day before, he ^{is} turned a blind eye and told us to move from his Desk so we walk off, but I walk toward ^{the} person that live in 136 and ask him why did he take the tablet that 3 person have for me, he get upset and said

me
a nigger, so went back over to the officer to
to inform him about what cell 136 just said to me
he smiled at me and ignored me, so I said to
myself "F" it, ~~it~~ it's not worth talk to a nigga, so
as I am walking back to my cell which is cell
116, cell 136 called me a Nigger again, so I turned
around and went towards him while he was sitting
and ~~ask him~~ ^{ask him} why did you called me that after I just
told you not to say that to a person like me because
that is disrespectful, he jump up in a fighting ~~stare~~
position, so I just look at him and walked away, at
that point the officer told me say to ~~cell~~ cell
136 "quote" if you call me that again I will not stop
these guys from coming after you, the officer
told me to go back in and then told 136 the same
thing. While I was going fell the officer came
up to my door window and called for back up.
Back up came while I was in my cell with the
door already closed. The LT told to come here
so I went, as I exit my cell I told ~~that~~ ^{them} I would like
to explain what just happened, he said no put your
hands on the wall, so my P.T.S.D kicked in, because
on December 2 2021, just 2 years ago that same situation
~~he~~ happened at ~~prob~~ ^{RIKE} county correction facility I was assaulted
by 9 officer which caused me to lose the sight in
my left eye, so after he told me to put my hands on
the wall, I went back into my cell and sat on the
bed, an uncounted amount of officers came in and
started to assault me, to the point that ~~they~~ ^{they} proptured my
left lower Rib and dislocated my left arm, they took
me to Rochester urgent care, and after they brought me

back to the Facility, I told them that I would like a phone call to my attorney, the officers that took me to the hospital called one of the LT's and ask him if I can make that call to my attorney. The LT then ~~asked~~ ^{entered} the area and told me to change but he told me that I can make that call after, he ~~told~~ ^{said} Samantia's + then ask him if I can call her first, because I no longer feel safe at this facility and I would like to be transferred to somewhere else. I then told him if he just let me call my attorney Mr. Gillmore she could make that happen for me, at that point more officers came through the door along with another LT, again P.T.S.D. kicked in because now I was surrounded by at least 16 to 18 officers while they was talking I got up and ~~seen~~ ^{seen} by the cell door as they came towards me, ~~the~~ ^{what} I heard was the LT telling all the officers "quote" Get him, and I got assaulted again twice on the same day just hours apart. So I would like to assert my Amendment Rights, my Fourth ~~and~~ ^{and} Amendment Rights for Excessive Force, and I should not be punish because I asserted my Rights not to be called a nigger.

Respectfully Submitted

Re: Complaint No. 008654-24-ICE

Dear Damion Davis:

On January 31, 2024, the Department of Homeland Security (DHS) Office for Civil Rights and Civil Liberties (CRCL) received your complaint from the DHS Office of Inspector General. Thank you for contacting us with your concerns. Under 6 U.S.C. § 345 and 42 U.S.C. § 2000ee-1, CRCL reviews and assesses information concerning abuses of civil rights, civil liberties, and profiling on the basis of race, ethnicity, or religion, by employees and officials of DHS. CRCL also reviews allegations that DHS employees, programs, or activities discriminated on the basis of disability under Section 504 of the Rehabilitation Act of 1973, as amended, 29 U.S.C. § 794.

The issues you raise are very important to us. CRCL is opening a formal complaint, and either we or the appropriate DHS component will conduct an investigation into your concerns. CRCL may contact you during the course of investigation of your complaint. We will ultimately notify you of the outcome of the investigation.

Please be advised that our complaint process does not provide individuals with legal rights or remedies. Accordingly, CRCL is not able to obtain any legal remedies or damages on your behalf. Instead, we use complaints like yours to find and address problems in DHS policy and its implementation. If you believe your rights have been violated, you may wish to consult an attorney. There may be time limitations that govern how quickly you need to act to protect your interests.

If you have not already done so, please provide CRCL with your complete contact information, including a phone number, email address, and mailing address if available, and your alien number if applicable. You may contact CRCL by email at crclcompliance@hq.dhs.gov, by facsimile at 202-401-4708, or by mail at the following address:

If you are filing a complaint on behalf of someone else, please provide CRCL with the express written consent of the individual if you would like to be informed about the resolution of this complaint, if you have not already done so.

When communicating with CRCL about this matter, please include the complaint number noted at the top of this letter.

Please note that Federal law forbids retaliation or reprisal by any Federal employee against a person who makes a complaint or discloses information to CRCL. 42 U.S.C. § 2000ee-1(e). If you believe that you or someone else is a victim of such a reprisal, please contact us immediately.

Thank you again for contacting DHS. Communications like yours are essential to our ability to carry out our role of supporting the DHS's mission to secure the nation while preserving individual liberty, fairness, and equality under the law.
